Global Law (Part of Patent Law)	<p>Israel is one of the leading countries in the world for the submission of patents. University of Haifa has developed a Masters Program in Patent Law, in collaboration with the World Intellectual Property Organization (WIPO) Worldwide Academy. The program is designed to teach the concepts of intellectual property and licensing.</p> <p>The International Master's Program in Patent Law at the University of Haifa is a one year academic degree program for scientists and engineers pursuing careers as Patent Agents. This one year executive program is offered at the Haifa Center for Law and Technology (HCLT), a renowned research institute located in the Law Faculty. The program combines first class academic training in Intellectual Property and Business Law with advanced practical experience in patent drafting and technology transfer.</p> <p>http://Weblaw.haifa.ac.il/patentgraduate@mail.uhaifa.org</p>	English	1 year	Jan, 2012	Patent Clerk, Patnet Authority in Law Office, Government Agency	Engineers, Business, Chemists
